Comments/recommendations to the Board of Directors

Advertising of events: Weekly emails need to highlight programs in a more visual way.

Registering for events should allow event to move directly to personal calendar

Speakers for programming events to prerecord session and allow for live Q and A

Goals for Coming Year:

Frequency of events- move to quarterly versus monthly?

Increased engagement of committee members

Diversity of topics to appeal to more ANA NY members by developing a survey for ANA NY members on topics of interest

Continued developed of SIG: young Professionals
