Comments/recommendations to the Board of Directors

- * Develop ANA-NY Peer Support Network collaboratively with Bassett Medical Center and launch ASAP to enhance visibility and obtain additional peer supporters.
- * Promote free ANA and CEI webinars/programs in a timely manner to members.
- * Use diverse virtual technology to enhance member engagement (due to limitations of social distancing/COVID-19).
- * Enhance communication via social media and OA outreach.
- * Actively promote the Speaker's Bureau and offer financial compensation to offset speaker's expenses (Travel).

Goals for Coming Year:

- * Establish a core of 20-50 peer supporters representing regional areas throughout the state.
- * Promote the Nurse Peer Support program by reaching out to diverse clinical settings; Hospitals, LTC institutions, community clinics and academia. Provide personal peer support testimony via

informational seminars.

*Offer seminars/webinars quarterly in collaboration with OAs.

*Enhance member engagement by providing requested educational seminars and networking opportunities.

*Complete Virtual Technology survey and distribute to all ANA-NY members.

* Develop 2022 Annual Meeting content reflective of current nursing issues.
